

CORONAVIRUS COVID-19 CLINIC PROTOCOL

Updated 19th July 2021

For the safety of both patients & practitioner, please adopt this protocol when visiting the clinic.

- If you or anyone you have had contact with in the last 14 days has tested positive for COVID-19 or experienced any symptoms (persistent cough, high temperature or loss of smell/taste) **please do not attend your appointment.** Instead, please contact me to reschedule your appointment.
- Social distancing rules within the clinic have now been relaxed, so please feel free to enter the waiting room when you arrive.
- Please use the hand sanitiser provided on entry and exit.
- If you are using the NHS Test & Trace app, please scan my QR code.
- Your practitioner will continue to wear full PPE during your visit.
- It would be appreciated if patients also continue to wear a face covering whilst in the waiting room and clinic.

All of these measures are designed to keep everyone safe & well.

Thank you
